

## CLOUTH DOCTOR-STORE® 20

### Doctor Blade storage system

KEY FEATURES
Powder coated steel
20 storing positions for single octagonal boxes (contents 1 – 10 blades)
4 lockable Plexiglas-doors
6 steerable wheels, 2 of which are lockable
Enclosed version
Weight 250 kg
Special design on request

ADVANTAGES
Easy to use as it provides immediate overview of blade stocks
Reduces space requirement compared with blade racks
Reduced risk of injury
Minimises risk of incorrect blade installation
No unpacking of blades until installation
Reduced risk of damage to new blades
Ideal for use for our Shelving- and Consignment-Stock systems
